**Speaker Bios**

**Dr. Gail M. Whitelaw** is a clinical associate professor and Clinic Director at Ohio State University. She has clinical and research interests in some "boutique" areas of audiology, including assessment and management of auditory processing disorders, specifically in children and adults with TBI, and in working with patients with tinnitus and sound tolerance disorders.

**Dr. Jill B. Firszt** is Professor in the Department of Otolaryngology and Director of the Cochlear Implant Program at Washington University School of Medicine. She is also Adjunct Professor in the Program in Audiology and Communication Sciences at Central Institute for the Deaf at Washington University. She has been working with cochlear implant adult and pediatric patients in clinical and research studies since 1985.

**Dr. Ann-Marie Orlando**, assistant professor at the UF Center for Autism and Related Disabilities in Gainesville. Dr. Orlando provides community outreach services and professional development related to autism and related disabilities. Dr. Orlando’s research focuses on inclusive education, literacy, and the use of augmentative/alternative communication for individuals with autism and related disabilities.

**Katie J. Roark**, CCC-SLP is a speech-language pathologist who has worked in a variety of environments, with primarily pediatric clients, over the past 10 years. She has experience working in hospitals (both in inpatient and outpatient settings, schools, and private practice, and currently serves as an education training specialist at the UF Center for Autism and Related Disabilities.

**Hotel and Parking**

Reserved parking is available on Tuesday and Wednesday in the North Lawn of the stadium, across from Emerson Hall. Please pay in advance or at the registration table in order to secure a spot.

You will be given a pass for your car as you enter the parking lot, if you have paid in advance.

For hotel information please check the website at [https://www.union.ufl.edu/UnionHotel](https://www.union.ufl.edu/UnionHotel)

**History of the G. Paul Moore Symposium**

This symposium is named in honor of Dr. G. Paul Moore, Distinguished Professor Emeritus and renowned scholar in the field of Communication Disorders. The University of Florida chapter of the National Student Speech-Language-Hearing Association (NSSLHA) organizes this event as a tribute to Dr. Moore’s outstanding contributions in the fields of audiology and speech-language pathology. NSSLHA strives to host speakers that reflect the standards of excellence set by Dr. Moore. Our objective is to increase awareness of current issues and ongoing research in the field of communication disorders.
This course is offered for up to 1.0 ASHA CEUs (Intermediate level, Professional Area)
