Dr. Norman has been awarded a Teaching Excellence Award, the George Kudolo Award for Excellence in Research and the Spectrum Award for all around excellence at the School of Health Professions, University of Texas Health Science Center San Antonio.

History of the G. Paul Moore Symposium

This symposium is named in honor of Dr. G. Paul Moore, Distinguished Professor Emeritus and renowned scholar in the field of Communication Disorders. The University of Florida chapter of the National Student Speech-Language-Hearing Association (NSSLHA) organizes this event as a tribute to Dr. Moore’s outstanding contributions in the fields of audiology and speech-language pathology. NSSLHA strives to host speakers that reflect the standards of excellence set by Dr. Moore. Our objective is to increase awareness of current issues and ongoing research in the field of communication disorders.
This course is offered for up to 1.0 ASHA CEUs (10 contact hours). Participants are required to attend the entire session to receive CE credit.
