> 4:45 pm - 5:00 pm: Q&A 5:00 pm - 5:10 pm: Closing Remarks *Please note later start time*

Speaker Biographies

Kristal Riska, Ph.D, Au.D., CCC-A is an Assistant Professor and Director of Residency Research in the Department of Head and Neck Surgery & Communication Sciences at Duke University Medical Center. She received her Au.D. and Ph.D from East Carolina University. Following a post-doctoral fellowship in the VA, she joined the faculty at Duke University School of Medicine in 2017. Her research program's overarching goals are to improve the diagnosis and management of dizziness, falls, and vestibular disorders. Her current research is funded by National Institute on Deafness and Other Communication Disorders (NIDCD) and the Department of Defense.

Rocío S. Norman Ph.D, CCC-SLP is Assistant Professor in the Department of Communication Sciences and Disorders at the School of Health Professions at the University of Texas Health Science Center San Antonio. Her research centers on improving the lives of individuals with concussion or mild traumatic brain injury (mTBI) and dementia through experimental and big data research methods. Dr. Norman has been awarded a Teaching Excellence Award, the George Kudolo Award for Excellence in Research and the Spectrum Award for all around excellence at the School of Health Professions, University of Texas Health Science Center San Antonio.

History of the G. Paul Moore Symposium

This symposium is named in honor of Dr. G. Paul Moore, Distinguished Professor Emeritus and renowned scholar in the field of Communication Disorders. The University of Florida chapter of the National Student Speech-Language-Hearing Association (NSSLHA) organizes this event as a tribute to Dr. Moore's outstanding contributions in the fields of audiology and speech-language pathology. NSSLHA strives to host speakers that reflect the standards of excellence set by Dr. Moore. Our objective is to increase awareness of current issues and ongoing research in the field of communication disorders.

Continuing Education Units

Career Improvement and **Advancement Opportunities**

Introductory Level up to 1.0 ASHA CEUs

This course is offered for up to 1.0 ASHA CEUs (10 contact hours). Participants are required to attend the entire session to receive CE credit.

Speaker Disclosure Statements:

Financial Disclosure: Dr. Riska will receive an honorarium for the presentation of this course from the G. Paul Moore Symposium Foundation Fund.

Non-Financial Disclosure: No relevant disclosures

Financial Disclosure: Dr. Norman will receive an honorarium for the presentation of this course from the G. Paul Moore Symposium Foundation.

Receives grants from NIH for research and honoraria from NIH as a grant reviewer.

32627

Non-Financial Disclosure: Board Member of the American Balance Society.
